November 11th is Veteran's Day

The Veteran's Day program will be held in the Gym next Wednesday at 9:00 in the morning. Veterans Day is a historic day to honor our soldiers that have made it back from war, and to honor our fallen soldiers. In November 1919, President Wilson proclaimed November 11 as the first Veterans Day with these words: "To us in America, the reflections of Armistice Day will be filled

with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nation..."

A “Close”r Look at Mrs. Patterson’s Class

Mrs. Patterson's class is making dog pictures and is having them judged this week. They are making dog pictures because they read "Where the Red Fern Grows". They are also going to see raccoons sometime soon. And that's all for this week.

MLB

On Wednesday the Bronx Bombers finished off the Phillies in game six. Chase Utley, Phillies' second baseman, tied Reggie Jackson for the most home runs in a world series with five. But Phillies' slugger Ryan Howard didn't let Utley enter the record books alone, Howard made a world series record of 13 strikeouts, with only one home run. Hideki Matsui the designated hitter for the Yankees, hit three home runs and had eight RBI's, winning the World Series MVP. This was an exciting series but for the 27th the New York Yankees came out champions.
